CONDUCT OF CHAPTER MEETINGS
Handbook

Purpose

The purpose of the National FFA Conduct of Chapter Meeting Leadership Development Event is to introduce seventh, eighth, and ninth grade FFA members to parliamentary procedure as they learn how to conduct efficient meetings and build their communication skills.

Agriculture is a highly technical and ever-changing industry on which everyone is dependent. We will maintain agriculture as our nation's number one industry only if we understand the importance of different agrisciences, marketing strategies, safe food production regulations, and continuous research to improve agriculture. Strong, relevant agriscience programs are one way we can maintain our nation's agricultural edge.

With the recommendation of the National FFA Board of Directors, all national FFA programs have incorporated the Agriculture, Food and Natural Resources (AFNR) Cluster Skills and Career Readiness Practice Standards to guide the direction and content of program materials and activities. Refer to Appendix A in the handbook for a complete list of the measurable activities that participants will carry out in this event.

Objectives

Students will be able to:

- Demonstrate correct use of FFA opening and closing ceremonies.

- Demonstrate parliamentary procedure to conduct an orderly and efficient meeting.

- Communicate and participate effectively as team members.

Presentation - Team Demonstration

- Team members will be assigned one of the permissible parliamentary procedure motions listed below. Event officials will select motions to be demonstrated in each flight of the event.
- Ten minutes of preparation time will be allowed for each team.
- Adequate copies of the problem will be given to the chair at the beginning of the preparation period. The advisor shall not consult with the team after the beginning of the preparation period. Contestants will not listen to competing teams. No references will be allowed by the team in the contest or during preparation. Points of clarification, not parlance, may be given in the ready room by the advisor in charge of the contest.
- All members except for the chair will have one required ability that they must demonstrate. These required abilities will be clearly marked on the practice problem. Each of these abilities will have a 20-point value, they will be scored according to how correctly they were demonstrated. Omitting a required motion will result in a 50-point deduction from the team score, along with the 20-point deduction from the officer's individual score.

- There is no penalty to additional subsidiary, incidental and privileged motions that a team may demonstrate.
- All contestants, except for the chair, will be provided a copy of the problem in the demonstration room. These copies will not leave the demonstration room and will not be written on, folded or otherwise defaced. Order of appearance will be determined randomly at registration. No reference materials will be used in the ready room or demonstration room. The chair can have a blank sheet of paper for taking notes during the demonstration.
- A team shall be allowed seven minutes in which to complete their demonstration. Opening and closing ceremonies are not included in the seven-minute period. For each minute or major fraction thereof over seven minutes, the team will be penalized 25 points.
  - A time clock or timecard will be provided so that the team can see. The clock will count from seven minutes starting after opening ceremonies (signaled to begin by the chair stating: Is there any new business?) and stop when the chair asks for the third time: Is there any further business? Prior to closing ceremonies. If a time clock is not used, the timekeeper will signal the team with large cards at the elapsed times of 5 minutes and 6 minutes.
- Debate
  - The first two debates per member will be tabulated in the presentation score.
  - No more than two debates per member per motion will be tabulated, even if the subsidiary motion to extend the limits of debate has been passed.

Individual Activities
Written Test

- A 25-question written test worth 25 points will be given to the six scored officers. The six individual scores will be averaged and added to the team score.
  - Example: If the 6 students average 20 points, 20 points would be added to the overall team score.
- Exam may will include:
  - General parliamentary procedure knowledge: - 22 questions
    - Permissible motions
    - Order of business
  - Officer duties and meeting room preparation – 3 questions

Scoring

Presentation – Judging

- **ONLY** this handbook and the most recent edition of Robert's Rules of Order Newly Revised may be used for judging. No other reference materials can be used.
- Selection of judges for the contest shall be left up to the discretion of the district. There shall be a minimum of three judges for parlance and officer ratings. If chapter advisors are to be used as judges, none shall judge their own team. The composite score of the other judges shall be used for the team score. Judges shall be given instructions on proper procedures expected prior to the start of the contest. Additional judges may be obtained to evaluate chapter officers separately using the chapter officer evaluation form.
- Judges shall be given a minimum of five minutes between teams to review number of debates and parliamentary errors. Judges shall agree on number of debates along with parliamentary errors, ensuring that all members receive credit for their debates. Also, all judges should make deductions for parlance errors. This will provide all teams with an equal and fair scoring system.
- Chapters will be grouped into three levels of achievements – gold, silver, and bronze.
- Chapter officers will be ranked gold, silver and bronze using the chapter officer evaluation form. Officers shall be ranked 1, 2, 3, etc. by each judge. The officer with the lowest score will be the officer of the day in each position. Natural breaks in the total score will be used to determine award ratings. (A minimum of two officers per award area so no one is singled out, example: one bronze.)

- A 25-question written test worth 25 points on general parliamentary procedure knowledge will be given to the six-chapter members. The six individual scores will be averaged and added to the team score.
- The test score will be used to break ties for officer of the day.

Scoring Guidelines

Guidelines for Scoring Discussion (60-Points Per Member)
1. It is essential that each judge observes and maintains consistent criteria in scoring debate for the duration of the event.
2. Judges must overlook personal opinions and beliefs and score debate in an unbiased manner. All debate should be scored at the time it is delivered.
3. Each time a participant in the presentation discusses any motion, they may earn a score. However, an individual may never earn more than 60 points in each presentation. The first two debates per member will be tabulated in the presentation score. No more than two debates per member per motion will be tabulated even if an extension of debate is passed.

Characteristics of Effective Debate
Characteristics of effective debate include the member's ability to state his or her position, provide reason(s) supporting his or her position and tell or encourage the delegation how to vote. The delivery of the debate will include:
- Completeness of thought.
- Logical reasoning.
- Clear statement of speaker's position.
- Conviction of delivery.
- Concise and effective statement of debate.

Good Debate
A good debate would be characterized by a presentation that includes the components of a good debate as well as the quality of delivery in which the debate is delivered. Those components are.
- States position.
- Provides more than one reason supporting the position.
- Tells delegation how to vote.

Average Debate
An average debate would be characterized by a presentation that includes only one supporting reason or lacks in the quality of delivery. However, the following basic components of a debate will still be included:
- States position.
- Provides one reason supporting the position.
- Tells delegation how to vote.

Poor Debate

A poor debate would be characterized by a lack of effective delivery, poor grammar, reasoning, and substance as well as the omission of one or more components of an effective debate.

Suggested grading scale for debates:

- 15-20 points – Excellent
- 10-15 points – Good
- 5-10 points – Average
- 0-5 points – Poor

Guidelines for Scoring the Chair (80-Points)

The chair is evaluated by his or her ability to preside and his or her leadership.

Ability to Preside (65-Points)

The ability to preside includes the following being able to state motions correctly, follow rules of debate, keep members informed, put motions to a vote, announce results of vote, use the gavel, and maintain awareness of business on the floor.

When announcing the results of the voting on motions, there are generally four points of information that need to be mentioned by the chair. The four points are:

1. Which side has the most votes
2. Declaration of if the motion is adopted or lost
3. A statement indicating the effect of the vote or ordering its execution
4. <u>When appropriate,</u> an announcement of the next business item or stating the question on the next motion that will be voted on

* Not completing all steps in the announcement of a vote is -15 pt. deduction.

A suggested grading scale is as follows:

- Excellent: 51–60 points.
- Good: 26–50 points.
- Poor: 0–25 points.

Leadership (15-Points)

Leadership is stage presence, poise, self-confidence, politeness, and voice. Tactful, sensitive, firm, understanding, good voice, and proper pace

A suggested grading scale is as follows:

- Excellent: 1–15 points.
- Good: 6–10 points.
- Poor: 0–5 points.

Guidelines for Scoring Team Effect (150-Points)

Conclusions reached by the team: The main motion was well analyzed, which may include answering who, what, when, where, why and how. (50-POINTS)

Team use of debate: The degree to which debate was convincing, logical, realistic, orderly, and efficient, germane, and free from repetition. (50-POINTS)

Team presence: This includes voice, poise, expression, grammar, gestures, and professionalism. (50-POINTS)

Deductions for Overtime

Under 7 minutes	0-point deduction
7 minutes 01 seconds to 7 minutes 30 seconds	25-point deduction
7 minutes 31 second to 8 minutes	50-point deduction
8 minutes 01 seconds to 8 minutes 30 seconds	75-point deduction
8 minutes 31 second to 9 minutes	100-point deduction

Methods of Voting

1. Roll Call – has the effect of placing on the record how each member votes. It is usually confined to representative bodies, where the proceedings are published, since it enables constituents to know how their representatives voted on certain issues. It should not be used in a mass meeting or in any assembly where members are not responsible to a constituency. (The FFA would not likely use this method of voting.)
2. Ballot – is used when secrecy of the members' votes is desired. A vote by ballot can be ordered by a majority vote. This method of voting is popular with officer elections.
3. Rising – used in verifying an inconclusive voice vote and in voting on motions requiring a two-thirds vote for adoption. A show of hands is an alternative method that can be used in place of a rising vote in very small assemblies if no member objects. A show of hands is not acceptable when voting on a division of the house.
4. Voice – (viva voce) the normal method of voting on a motion. It cannot be used on any vote which requires a vote other than a majority vote. Before taking the vote the chair should repeat and clearly identify the motion. The form to use when taking a voice vote, after the chair has clearly restated and identified the motion is: "As many as are in favor of say "aye", all those opposed say "no".

Official FFA Ceremonies

Opening & Closing Ceremonies

Refer to [Official FFA Manual](#) for proper opening and closing ceremonies.

Uses of the Gavel

The following is an indication of a custom for FFA as codified in the FFA Official Manual for use of the Gavel. RONR only recommends the tapping of the gavel once at adjournment.

- Tap – Sit down, adjourn or after the announcement of a vote or a ruling made by the chairperson
- Taps – Call the meeting to order
- Taps – Stand up
- Several Sharp Taps – Restore order

Discussion

The quality of your discussion is a very important tool in the evaluation of both your officer ratings and your team score. Each discussion can earn you between 0-20 points. The following breakdown will be used:

- 15-20 points – Excellent
- 10-15 points – Good
- 5-10 points – Average
- 0-5 points – Poor

When working on the quality of your discussion you should not concern yourself with trying to receive a discussion rating of excellent. In order for you to receive between 15-20 points you would probably take up too much of the precious time your team will need to complete the entire demonstration. You should concentrate your efforts on discussion that will be worth between 10-15 points. No more than 20 points can be earned on any one debate, no more than 2 debates per member per motion is allowed and only the first 4 debates per member will be scored.

On the score sheet the maximum points that any member of the team can earn is sixty points for their total discussion during the entire demonstration. During the team demonstration you will have time for each member to discuss three times if all discussions are of the 10-15 point range. It is possible for a fourth time if you press it. Remember when you are discussing your motion to keep track of the time factor.

Recognition (obtain the floor)

Anytime a member wishes to get recognition from the chair they should first stand and then address the chair in one of the following ways: "Mr. President", "Mr. Chairman", "Madam President" or "Madam Chairman". Once the chair has granted recognition then they may proceed. The chair should recognize the member by saying, "The chair recognizes John" or "The chair recognizes the Secretary". The chair may also simply recognize them by stating "John" or "Secretary".

If more than one member rises, the chair should recognize the member who was the first to rise; or if both members rise at the same time, it is up to the chair to decide who speaks first. It is proper for the chair to rotate debate from those in favor to those against. If a member makes a motion, he/she in return has the first right to debate.

Rules Governing Debate

The motion must be moved, seconded and the chair must repeat the motion before debate is in order. Once the motion is opened for debate, the mover of the motion has the first right to debate.

You are only allowed to debate a motion twice per day and not more than ten minutes per time, unless the group moves to extend your time of debate. No member can speak for a second time on a motion until everyone who wishes to speak has spoken at least once. All debate should be related to the question at hand. During discussion you should try to refrain from using names when making comments related to what a member had said earlier. You should instead refer to them as the "previous speaker" or "a previous speaker".
