The Agricultural Sales CDE will be held beginning at 8:30 am at SFC-Magic Place on Monday, March 18. Teams are to report to their assigned table from 7:30 – 8:15 am in the SFC – Magic Place. B. Seidler will oversee that each portion of the contest is moving and on time. B. Schneider/A. Huettl/B. Seidler will oversee the CDE. 50 minutes will be provided to complete the written test. The Written Test advisors will distribute, supervise, and collect the test. Advisors should check scan cards have properly filled out their name, chapter, and chapter number. Chapters will remain at their chapter table for the test so advisors must be walking around during this time. Once completed, the state officers will transport written test scan cards to tabulations. The judges are asked to meet in the upper atrium of the SFC by the concessions at 8:00 am for judges meeting. B. Schneider & A. Huettl will break up the judges into Individual Sales and Team judges and prep them separately due to time. B. Schneider will prep the Team Event Judges. A. Huettl will prep the Individual Judges. Z. Krein and K. Tonnessen will participate in prepping the judges for their respective area. Advisors assigned to individual sales are asked to direct students randomly to judging tables and ensure all judges have a student on deck ready to present. It is encouraged to have members from chapters that are lower on the team event order of appearance to present right away to avoid time conflicts later in the event. As soon as individual sales judges are prepared, begin sending students to keep the event on time. Do not let the students hold back and pick their own judges. Team Event Advisors will serve as timekeepers, work with the judges, keep the process moving and collect the judges' reports. State officers will collect score sheets and turn them into the tabulations room.

Please review the Agricultural Sales CDE Handbook to ensure familiarity with the event.
