# State FFA Officer Biography and Information

**Name:** Annaliese Rauschenberger

**Office:** North Dakota FFA State Reporter

**FFA Chapter:** South Prairie

**Family:** My parents are Karlee and Gabe and I am the youngest of five children.

**SAE:** I have had several Supervised Agricultural Experiences throughout my time in FFA. Past examples include growing a vegetable garden, lawn mowing, greenhouse employment, and an agronomy internship. My current SAE is running the combine for the family farm operation.

**CDEs/LDEs:** Creed Speaking, Demonstration, Employment Skills, Nursery/Landscape, Environmental & Natural Resources, Ag Sales, and Agronomy

**Favorite FFA Contest:** My favorite contest is the Employment Skills Leadership Development Event. I love networking and have had prior experience interviewing.

**Favorite FFA Memories:** My favorite FFA memory is attending the National FFA Convention in 2021 with my chapter. We met new people, went on a lot of fun tours, and saw many blue jackets.

**Future Plans:** I currently attend North Dakota State University. I am majoring in Crop and Weed Science.

**About Me:** I grew up helping my family farm south of Minot where we grow corn, soybeans and wheat. I joined FFA because my family is involved in agriculture and I have older friends who were involved. One fact that you probably don't know about me is that I love spelling and have been to the National Spelling Bee!

**Why did you want to be a State Officer?** I have a passion for agriculture and love meeting new people, so being a State Officer is the best of both worlds for that!
