

ND FFA Officers Teams and Members,

Each year ND FFA members from across the state gather to attend the ND FFA Leadership Conference. This year, the Conference will be held at the Bismarck Event Center, September 17th and 18th. The FFA motto gives members 12 short words to live by as they experience the opportunities in the organization. “Learning to Do, Doing to Learn, Earning to Live, Living to Serve”.

During the ND FFA Leadership Conference, members have the chance to live out a portion of the FFA Motto; Living to Serve. This year’s service project is Battle of the Books: East Side vs. West Side. The ND State FFA Officers are challenging chapters to donate ag-related kids’ books from a provided list from the American Farm Bureau Foundation for Agriculture. The side that donates the most books will be declared the winner. Chapters who participated on the winning side will be entered into a drawing to win one of three ‘Chapter Meeting in a Box’; complete with door prizes, games, and snacks to take back to your chapter. All donated books will be placed in little libraries around the Bismarck/Mandan area. If you have a little library in your own community, you can request to take home books from this project to donate in your community too. To request books for your community’s little library, please fill out [this form](#) by September 14th. The number of books allocated to libraries will depend on the amount donated. Chapters will bring all their donated books to conference registration on September 17th for counting. At 8:30pm, students can help place ND FFA Stickers on all donated books and package books for delivery to little libraries. The winning side will be announced at the Dance September 17th. The chapters who win the ‘Chapter Meeting in a Box’ will get to take their boxes home on Sunday September 18th.

Chapters are encouraged to get creative in how they collect book donations for this project. Some ideas can be found below. To access the list of books, [click here](#) and then choose recommended book list.

Ways to collect books in your chapter to donate:

- Have a drawing at your first FFA meeting and any member who brings a book gets their name entered.
- Host a hat day in your school and use the money to purchase books from the list.
- Post the list to your chapters social media account and gather donations from businesses or community members.
- Host an after school fun night and charge a small fee for elementary students to attend. Have a member read a book from the list while students enjoy a snack and use the money collected to purchase books.
- Have a contest in your chapter to see which team of students can collect the most book donations: the prize could be a free FFA jacket.

As chapters collect their book donations, they are encouraged to post pictures on social media using #NDFFABattleoftheBooks. Is West the Best or is East Beast? We will find out at the ND FFA Leadership Conference.

ND FFA members, are you up for the challenge?
