FFA Stats

Home Chapter | Beulah

Enterprise | Agricultural Services Entrepreneurship-Farm Chicks to Go
Ag Teacher(s) | Cora Smith & Alan Geiger

College Stats

Major | Agribusiness

School | Valley City State University

From Zap, North Dakota, Kristyn Bauer serves as the 2025–26 North Dakota FFA State Secretary. The daughter of Laura Beth and Michael Bauer, Kristyn is a member of the Beulah FFA Chapter and has been actively involved in leadership and career development opportunities throughout her FFA journey.

Kristyn's primary Supervised Agricultural Experience (SAE) is an Agricultural Services Entrepreneurship project called Farm Chicks To Go, where she rents incubator kits to classrooms and families across North Dakota so they can experience hatching chicks without the long-term commitment of raising poultry. She began the project at age 13 and has since helped more than 577 students experience hatching chicks.

Kristyn has participated in many CDEs and LDEs, including Greenhand Quiz, Creed Speaking, Demonstration, Quiz Bowl, Parliamentary Procedure, Employment Skills, Extemporaneous and Prepared Public Speaking, Agricultural Sales, Small Animal Care, Nursery/Landscape, Agriscience Fair, and Agricultural Communications. Creed Speaking was her favorite event and helped her find confidence and her voice in FFA. One of her favorite FFA memories was traveling to National FFA Convention with her chapter.

Kristyn plans to complete her degree in Agribusiness at Valley City State University and hopes to become an agricultural loan officer in the Jamestown area. She chose to serve as a state officer to help members find their voice in FFA and ensure every student feels they belong in the organization.
