RECOGNITION GUIDE

2023

ND Premier Chapters

Growing Leaders

Colts Care Community Service Day

Richland 44 - Winner

The Need. Richland 44 wanted to build unity and school spirit among students while making an impact in their community.

The Idea. FFA members coordinated a Jr/Sr school community service event day, **Colts Care Community Service Day**, inviting other school groups including Student Council and FCCLA.

The Result. 105 students and 14 staff completed 12 projects.

Mentorship Program

Scranton - Finalist

The Need. Scranton FFA wanted to provide mentors to elementary students within their school.

The Idea. FFA members started a **Mentorship Program** where they met with their mentees for 30 minutes learning about different aspects about being a better student.

The Result. 36 elementary students were mentored by 32 FFA members.

Etiquette Meal

Killdeer - Finalist

The Need. Killdeer FFA wanted to help teach members about proper dining etiquette

The Idea. The purpose of the **Etiquette Meal** was to teach students proper etiquette to prepare them for professional settings.

The Result. Over 35 member attended learning proper etiquette.

ND Premier Chapters

Building Communities

Three Cheers for Three Bean Coffee

Wahpeton - Winner

The Need. Wahpeton FFA members wanted to encourage community members to support their local coffee shop.

The Idea. FFA members created a FFA themed drink to be sold during National FFA Week. Their project, **Three Cheers for Three Bean Coffee**, encouraged people to support local while increasing FFA awareness.

The Result. 125 limited edition FFA drinks were sold during National FFA Week.

Boards for Boredom

Richland 44 - Finalist

The Need. Richland 44 members wanted to gift a handmade game to children at the Sanford Children's Hospital.

The Idea. Members brought their **Boards for Boredom** activity alive by building handmade checkerboards and collaborating with their schools FCCLA chapter to make pouches for the game pieces.

The Result. 19 FFA members visited the children's hospital donating 19 games.

Yesterday Farmers Partnership

Scranton- Finalist

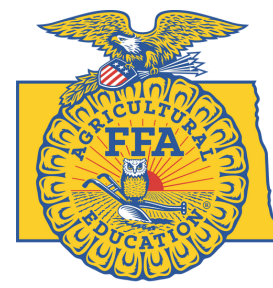

The Need. Scranton FFA members wanted to help with a local community garden.

The Idea. Their activity, **Yesterday Farmers Partnership**, sprouted a relationship between the community, FFA chapter, and local elementary students.

The Result. 27% of FFA members and 18 elementary students participated.

ND Premier Chapters

Strengthening Agriculture

Glow Golf Scranton - Winner

The Need. Scranton FFA members needed money to send students to National FFA Convention.

The Idea. Working with FFA Alumni and Supporters, Scranton FFA members created the **Glow Golf** fundraiser. Their event wouldn't have been possible without their program stakeholders help.

The Result. 17 teams participated in the event and members helped serve a meal.

Wald Dairy Trip with Elementary Napoleon - Finalist

The Need. Napoleon FFA members wanted to teach and show elementary students where food products come from.

The Idea. The purpose of the **Wald Dairy Trip** was to expose students to where dairy products come from, learn about dairy cattle, the milking process, and the work it takes to have a dairy farm.

The Result. Napoleon FFA Officers took the 3rd Grade class on a trip to Wald Dairy.

Harvest for Life Richland 44 - Finalist

The Need. Richland 44 members wanted to earn money to host future service projects.

The Idea. Their activity, **Harvest for Life**, allowed members to make a connection with area producers while also raising money for the chapter to be used for future service projects.

The Result. 14 producers donated soybean which raised \$8,213.08.
