School | Valley City State University

From Velva, North Dakota, Rose Schiele serves as the 2025–26 North Dakota FFA State Treasurer. The daughter of Arlen and Nylenne Schiele, Rose is a proud member of the Velva FFA Chapter and has been actively involved in a wide range of leadership and career development opportunities throughout her FFA journey.

Rose's Supervised Agricultural Experience (SAE) focuses on Agriscience in Social Systems, where she has explored how agricultural education connects people and communities while strengthening understanding of the industry. She has competed in numerous CDEs and LDEs, including Agronomy, Floriculture, Food Science, Agriscience Fair, Conduct of Chapter Meetings, Greenhand Quiz, Employment Skills, Parliamentary Procedure, and Demonstration, with Agronomy being her favorite. One of her most memorable FFA experiences was competing at the National Agriscience Fair, where she had the opportunity to showcase her work on a national stage.

Growing up on a farm helped shape Rose's passion for agriculture and people. She enjoys gardening, baking, hunting, and fishing, and values the relationships she has built through agricultural education and FFA. After her year of service as a state officer, she plans to continue attending Valley City State University to pursue a degree in elementary education.

Rose was inspired to serve as a state officer because she wanted to give back to the organization that gave her a second family, and she is committed to helping every member feel the same sense of belonging and opportunity she found through FFA.
