94th ND FFA State Convention

NDSU Academic Sessions

Brought to you by NDSU Academic Affairs

Session Descriptions

We are so excited to welcome FFA to NDSU this summer. Faculty and advisors will be offering academic sessions. We hope that your students will sign up to learn more about NDSU and our programs. We will also have t-shirts for your students available at registration so be sure to stop by and grab them!

Engineering Lab Tour & Demonstrations

Tour various labs within the engineering complex and learn more about our hands-on opportunities.

Career & Major Exploration

Not sure what you want to study? Join a Career Coach from the Career and Advising Center for an interactive assessment that will match your strengths and interests with major and career options.

Biological Sciences

A degree in biology will prepare you for many careers including healthcare, scientific research, environmental science and conservation, and education. This interactive session will explore how our hormones impact our thoughts and actions.

Communication & Journalism

Tour our Bison Information Network which includes our on-campus T.V. studio, radio station, and campus newspaper. You will also receive a brief overview of the majors the Department of Communication offers.

Statistics

Want to use data to fight cancer? This interactive session will allow you to use data on breast cancer survival rates to explore how to solve some of life's most complex programs through data analysis.

94th ND FFA State Convention

NDSU Academic Sessions

Brought to you by NDSU Academic Affairs

Session Descriptions

Cont.

Precision Agriculture/Agriculture & Biosystems Engineering

Students in these programs learn machine principles, data mapping, electrical systems, and hands-on training and application of technology. Join one of our faculty members to learn more about how to use and safely navigate an Unmanned Aerial Vehicle (UAV)!

Pharmacy - Future Pharmers of America

You'll get to learn all about the exciting Pharmacy Program that NDSU has to offer, and the endless possibilities it can open up for your future. But wait, there's more! You'll even get to compound your very own scented lip balm, customized to your liking, and take it home with you as a unique souvenir of your visit. It's an interactive session that's both educational and fun, and a chance to immerse yourself in the world of pharmacy like never before. Take advantage of this fantastic opportunity to explore your passion and take a step toward a promising career in Pharmacy!

How to Participate

To participate, meet at the entrance to the bookstore in the Memorial Union. No preregistration required. Just show up!
